

A BILL

To expand the scope of the CHIPS for America International Technology Security and Innovation Fund to include biotechnology, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “**International Biotechnology Security and Innovation Enhancement Act**”.

SEC. 2. EXPANSION OF CHIPS FOR AMERICA INTERNATIONAL TECHNOLOGY SECURITY AND INNOVATION FUND TO INCLUDE BIOTECHNOLOGY.

Section 102 of the CHIPS Act of 2022 (Public Law 117–167; 136 Stat. 1375) is amended—

(1) in subsection (c)(1), by inserting “, including biotechnology,” after “other emerging technologies”;

(2) in paragraph (2)(A)—

(A) in clause (iv), by striking “; and”;

(B) in clause (v), by striking the period at the end and inserting “; and”; and

(C) by adding at the end the following new clause:

“(vi) for [fiscal years 2026 through 2030], a total of \$300,000,000 to support activities related to biotechnology.”; and

(3) by adding at the end the following new paragraph:

“(4) Biotechnology reporting requirement.—The Secretary of State shall submit an annual report to Congress detailing the use of funds under this subsection to support efforts related to biotechnology, including programs, projects, and activities conducted with foreign partners, which may include biotechnology diplomacy (such as science, commercial and regulatory diplomacy), coordinated research and development, strengthened global supply chains for biomanufacturing, and supporting other Federal agencies that work with foreign partners on biotechnology.”.
